

--- Toronto Division - RED - "Caddy" - Warehousing Stamps - (1874-1883) ---

1st BABN Contract (1868-1873) John McKay records that 409,910 *recess printed* and 217,995 *lithographed* copies of "Red Caddy" were delivered. These are prior to 1874, and thus the *recess printed* red Caddy stamps were in vertical Division Open format. The *lithographed* red Caddy was in the square 1868 format.

2nd BABN Contract (1873-1878) John McKay records that 840,000 *recess printed* copies of "Red Caddy" were delivered. By control numbering and their date of use - an estimated breakdown:

Division Open -	320,000
Montreal Division -	390,000 - <i>Dunbar Browne</i>
Toronto Division -	20,000 - <i>J. Morrow</i>
Hamilton Division -	110,000 - <i>Wm. Patton</i>

3rd BABN Contract (1878-1886) John McKay sub-divides 799,697 copies of "Red Caddy" as follows:

Montreal Division -	431,704 recess printed - <i>J. L. Vincent</i>
	113,296 lithographed - <i>J. L. Vincent</i>
Toronto Division -	25,000 recess printed - <i>W. C. Stratton?</i>
Hamilton Division -	200,000 recess printed - <i>C. G. Fortier</i>
Division Open -	29,697 recess printed

Chris Ryan reports that *W. C. Stratton* replaced *John Morrow* as Collector at Toronto on December 1st 1880.

--- The "theoretical" control numbering on RM-192 - the "Toronto" Division vertical red Caddy ---

2nd BABN Contract (1873-1878)	20,000	00001 - 20000 - <i>John Morrow</i>
3rd BABN Contract (1878-1886)	<u>25,000</u>	20001 - 45000 - <i>W.C. Stratton?</i>
	45,000	

--- the "actual" control number range recorded to date on RM-192 - the Toronto Division vertical red Caddy ---

2nd BABN Contract (1873-1878)	20,000	00524 - 18010
3rd BABN Contract (1878-1886)	25,000	none to date

Since **18010** saw use in June 1878, it had to be printed under the **2nd BABN Contract** (1873 - 1878). Thus it is probable that a batch of 20,000 stamps was initially delivered.

The final control numbers taken from the *computer compilation* for the Hamilton and the Toronto Divisions are considerably short of the estimated final control number, since when the CADDY and BOXES stamps were recalled on July 1st 1883, these smaller Divisions had only used a portion of the stamps ordered by the "Inland Revenue Department".

Chris Ryan reports that *John Morrow* was the Primary Collector at Toronto from March 1st 1875 until November 30th 1880, when *W. C. Stratton* was named to the post.

Possibly the 25,000 "Toronto" Division stamps prepared under the **3rd BABN Contract** were inscribed *W. C. Stratton*, with the heading **VICT. XXXI - CAP. VIII** removed. If so, none have surfaced.
